## Our Best Selling System in its Most Affordable Design Ever!

You asked for it, and Aero delivered: the simplicity, security, ease of use, and dependability of our best-selling Easy Cover tarping system in more economical configurations to fit the way you work and your budget.

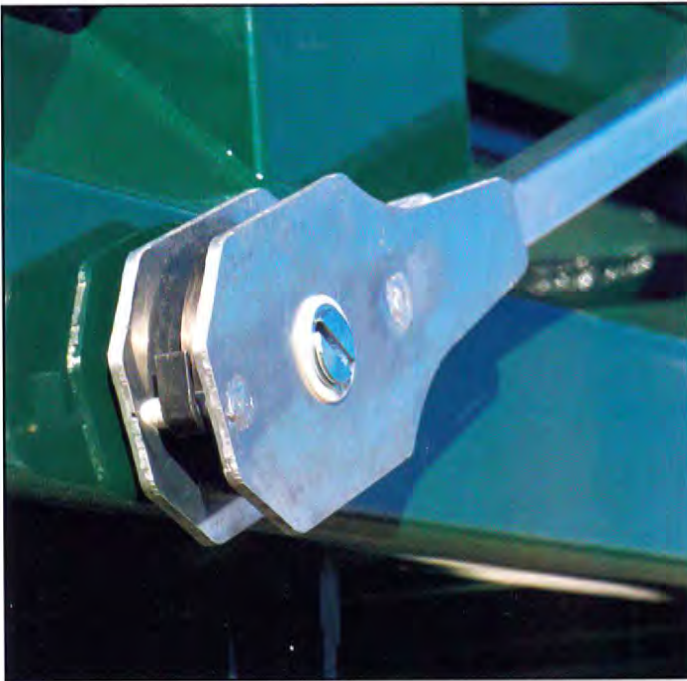

We've created three Economy Easy Cover models that let you cover and uncover your load in seconds, with just one hand, and no dangerous climbing involved. We've made them lightweight, durable, and easy to install, with many preassembled components. And with Aero's new coil tension springs, you have the security of the strongest system on the market today. The new Economy Series is designed to work on applications up to 23 feet.

Consider your options and choose the system that's right for you. Then call Aero or your Aero dealer. We'll show you how easy it is to get a new Easy Cover tarping system on your truck today!

## Three Models Available

Model 25	Manual Direct Drive
Model 45	Manual Ground level
Model 55	Electric

## Springs

- Coil tension springs provide superior strength and durability, smooth and reliable operation.
- Low profile design keeps springs secure and out of harm's way.

## Drives & Cranking Systems

Model 45

Model 55

## Arms

- Durable, aluminum construction.
- Low maintenance—no painting required.
- Adjustable width hardware to fit any size dump.

Optional wind deflector to reduce drag and extend tarp life.

## The Easy Cover That's Easy To Afford. And Easy To Install.

Easy Cover lets you cover and uncover your load in seconds. And it doesn't take too much longer to install. Your Easy Cover is shipped with many pre-assembled components to make installation fast and a comprehensive installation manual to make it simple. And when it's time for maintenance or upgrading, the full part schematics simplify part identification and ordering.
